

Creating natural environments

PETER LEWIS
Horticulturalist

Peter has over 30 years' experience in the horticultural / landscape industry with the past five years in Macau and China.

His main emphasis is on the development and management, including problem solving within nursery productions systems, the commercialization of new plants from R&D programs and management of landscape maintenance programs.

Current and past positions:

2012-present *Horticultural Services Manager, Birkdale International (HK) Limited*

Develops management programs for nursery plant production enterprises for multinational clients in mainland China.

Provides problem solving consultancy on horticultural technical issues for clients in South East Asia and the Middle East.

Has developed a 'quality product' supplier network within mainland China and neighboring countries to provide unique horticultural products for discerning international clients.

Develops and implements landscape maintenance programs for large multinational clients in Macau and Hong Kong

Develops conceptual designs for themed greenlife displays to compliment PR events within casinos in Macau.

Provides horticultural skills training for clients' non-English speaking employees in Macau and China.

2006-2012 *Director, A & B Horticultural Services, Brisbane, Australia*

Provided horticultural services to the Australian landscaping industry.

1989-2006 *Horticultural Services Manager, McGeoch's Birkdale Nursery Pty Ltd., Brisbane, Australia*

Managed nursery operations including planning and implementing production programs, R & D programs with University of Queensland, consulted on overseas projects and managed export operations.

Peter graduated from the University of Queensland, Australia in 1982 with a Bachelor of Applied Science (Horticultural Technology).
